

Looking for a way to restrict your online time clock to specific computers? The Easy Time Clock Browser allows you to download our special browser onto one or more PC's, making the time clock inaccessible to your employees from any other location.

Getting Started

Setup Tab, Clock In Restriction

1. Choose "Easy Time Clock Browser"

Clock In Location Restriction

Unlimited

<p>Each Office Location</p> <p><input type="checkbox"/> IP Address</p> <p><input type="checkbox"/> Subnet Group</p> <p><input type="checkbox"/> Mobile App GPS</p>	<p>Individual Computers</p> <p><input checked="" type="checkbox"/> Easy Time Clock Browser</p> <p><input type="checkbox"/> Browser Password</p>
---	--

2. Click .
3. Now Click .
4. Take note of this 4-digit code. You will need this when downloading the browser.
5. Under "Computers," you will see a number. This is how many computers you are allowing access with that particular Activation Code. The number is editable.
6. Under "Username," you can set each employee to their own Activation Code. Otherwise, all employees can share the same Activation Code by keeping Usernames at "All Usernames."

Activation Code	Computers	Activation	Username	Office Location	Email	Text	Remove
<input type="button" value="Display Code"/>	<input type="text" value="1"/>	History	Bathory, Elizabeth ▼	<input type="text"/>	To Employee	To Employee	<input type="checkbox"/> Remove
<input type="button" value="Display Code"/>	<input type="text" value="1"/>	History	Berkowitz, David ▼	<input type="text"/>	To Employee	To Employee	<input type="checkbox"/> Remove
<input type="button" value="Display Code"/>	<input type="text" value="1"/>	History	Bianchi, Kenneth ▼	<input type="text"/>	To Employee	To Employee	<input type="checkbox"/> Remove
Activation Code	Computers		Username	Office Location			
<input type="button" value="New Activation"/>	<input type="text" value="10"/>		All Usernames ▼	<input type="text"/>			

7. "Office Location" – is an optional field where you can record more information about where each code was used.
8. Make sure you .

Grant Access By Easy Time Clock Browser [Help](#)
(To limit access to individual computers)

After you create an Activation Code, view it and go to the [Downloads](#) page and click on "Easy Time Clock Setup" to download the program to your desktop. Use your Company Login of **Courtneys Test** and the activation code.

Activation Code	Computers	Activation	Username	Office Location	Email	Text	Remove
7132	10	Pending	All Usernames ▼		To Employee	To Employee	<input type="checkbox"/> Remove
Activation Code	Computers		Username	Office Location			
<input type="button" value="New Activation"/>	10		All Usernames ▼				

Downloading the Easy Time Clock Browser

- ⌚ If downloading the browser yourself, you can simply click the [Downloads](#) link from the Clock In Restriction page.
- ⌚ If employees are downloading the browser themselves...
 - ⌚ From the Clock In Restriction page, you can send instructions and the Activation Code to employees via Email or Text.
 - ⌚ They can visit <http://www.easytimeclock.com/Downloads/>.
 - ⌚ They can visit www.easytimeclock.com, scroll all the way to the bottom, and click "Downloads."

⌚ Click

⌚ Open the downloaded file

⌚ A security warning pop-up may appear. Choose Run or Save.

⌚ Enter Company Login and Activation Code

⌚ Grant Access

Easy Time Clock Browser

This computer needs activation before using the Easy Time Clock browser

Company Login
YourCompany

Activation Code

Now a shortcut of the login page will be created on the desktop. Employees can *only* clock in and out from this shortcut.

For further assistance with Browser, contact Customer Service.
